D-MEM SEMINAR

International PhD Program in Experimental Medicine

GUIDO SILVESTRI

Yerkes Division of Microbiology and Immunology
Emory University of Atlanta

February 11th, 2022 - 5.00 PM

TIME TO FIGHT COVID WITH SCIENCE (AND TO STOP GOING MEDIEVAL)

Guido Silvestri, MD, is Chief of the Division of Microbiology and Immunology at the Yerkes National Primate Research Center. In addition, he is a Georgia Research Alliance Eminent Scholar in Comparative Pathology as well as Chair and Professor in the Department of Pathology and Laboratory Medicine at the Emory University School of Medicine. Since 1993, prof. Silvestri has been involved in studies of AIDS pathogenesis, prevention and therapy and now he is one of the leading experts engaged in facing Covid-19 pandemic.
