

## Photo Challenge “Our land and climate change. Landscapes of agri-food chains”

### Amendments to the Regulations and extension of deadline

With reference to the Regulations for the Photo Challenge “Our land and climate change. Landscapes of agri-food chains”, the following amendments shall apply:

- Only pictures taken with smartphones and uploaded to Instagram will be admitted into the competition.
- The images must be uploaded **between 17 December 2021 and 31 January 2022** and will be re-shared on the University’s Instagram account @lastatale\_milano\_official.
- The **30 photos that, by 12 noon on 31 January 2022**, will have received the most “Likes” will automatically be submitted to the Technical Jury for assessment. The Jury is made up of experts in photography and other art forms, whose names will be announced through the University’s institutional channels.

Milan, 11 January 2022
